

PARTSMAN

Career Opportunity

This position involves the sale of automotive parts, industrial products and welding supplies and equipment.

Experience in the automotive, industrial or welding industry an asset but will train the right candidate. Must have a strong desire to provide a level of service that exceeds our customer's expectations.

If you are looking for a challenging position with the rewards that go with it, come into the store with your resume and ask for me, Corey Cichocki (Store Manager.) I'll be glad to meet with you on the spot.

We also offer:

- A premium health/dental/benefit plan
- RRSP plan
- Annual bonus package
- Salary guarantees
- Quarterly employee social club functions
- Opportunities for advancement
- Great hours
